

Positive Pathways Careers Day
Brewarrina Central School
5th April 2022

The BAMS team attended the Positive Pathways Careers Day held at Brewarrina Central School. There were lots of different service providers as well as lots of students from surrounding towns at the event.

It was a great opportunity to interact with the students and provide them with information on all the different career opportunities available in the health sector.

Positive Pathways Careers Day
Brewarrina Central School
5th April 2022

BAMS Dietician, Gemma Roper and Karen Wallace from Family Planning NSW accompanied by Belinda Loughnan were on hand to chat with students and hand out pamphlets. It also allowed the students to understand the many roles and services available at BAMS.
